Summary

With extensive experience as an Architecture and Interior Designer, I am dedicated to creating exceptional design solutions that enrich diverse environments. Proficient in AutoCAD, Revit, SketchUp, Adobe Creative Suite, and skilled in visual storytelling through photography and videography, I specialize in crafting spaces that harmonize functionality with aesthetic appeal. Known for my collaborative approach and strong client relationships, I excel in delivering tailored design solutions that resonate with clients' visions and aspirations. Seeking to join a design firm in Los Angeles where I can contribute my creative expertise and passion for design to create memorable and inspiring spaces.
